KINY ST CHARLES

SOFTWARE DEVELOPMENT / AI AUTOMATION / TECHNICAL SUPPORT

Naples, FL | (239) 397-0594 | kennycharles.dev@gmail.com

github.com/kennycharlesdev | kennycharlesdev.github.io/my-portfolio

PROFESSIONAL PROFILE

Technology-focused professional transitioning from resort operations and customer service into software development and AI automation. Builds and maintains hands-on web projects using HTML, CSS, JavaScript, Git, and GitHub. Brings experience in team supervision, troubleshooting, guest support, and working accurately in fast-paced environments.

TECHNICAL SKILLS

Hands-on: HTML5, CSS3, JavaScript, responsive web design, Git, GitHub, VS Code, GitHub Pages

Learning / project exploration: Node.js, Express, REST APIs, workflow automation, Linux, networking and cybersecurity fundamentals

SELECTED TECHNICAL PROJECTS

Developer Portfolio | HTML, CSS, JavaScript, GitHub Pages

- Built a responsive personal website with project showcases, accessible navigation, contact links, and a downloadable resume; uses Git branches and commits for version control.

NextStream | JavaScript, Node.js, Express (learning project)

- Explored web-app structure, page flows, and backend development through an original streaming-platform project.

LeadFlow OS / Website Factory | AI automation and business web systems (in development / concept)

- Designed concepts for lead management, customer follow-up workflows, and small-business website delivery; not presented as deployed products.

PROFESSIONAL EXPERIENCE

Four Seasons Resort — Server | Naples, FL | Mar 2026–Present

- Provide attentive guest service, coordinate with food-and-beverage colleagues, and support accurate, timely dining service.

The Home Depot — Warehouse Associate | Houston, TX | Oct 2025–Feb 2026

- Supported receiving, inventory organization, order fulfillment, and safe warehouse operations.

Great Wolf Lodge — Lifeguard / Supervisor | Naples, FL | Nov 2024–Sep 2025

- Supervised lifeguard operations, trained team members, responded to guest concerns, and supported daily safety procedures.

EDUCATION & DEVELOPMENT

C.I. Gidson, Bahamas — High School Diploma | 2020

CompTIA Security+ — In preparation (not yet certified)
